

ResourceSmart Schools Online

Release Notes April 2026

Updates to ResourceSmart Schools (RSS) Online have been made to improve usability and security of the site.

Food and Garden Organics (FOGO) unit cost ranges

Unit cost ranges for Food and Garden Organics bills have been corrected so eligible bills are included in school savings.

The range is:

Low: \$3.17 per m³

High: \$83.33 per m³

All bills entered previously have been updated to reflect the new range.

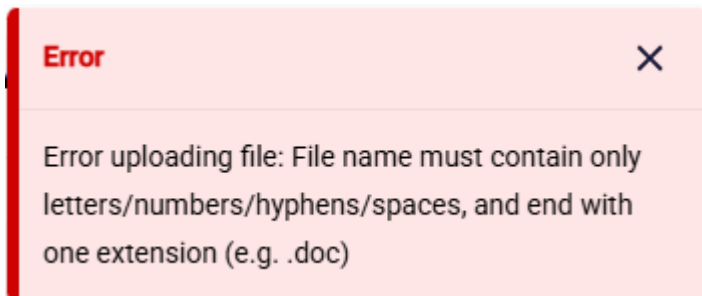

Security measures

Files with double extensions

When uploading a document, only one extension is allowed at the end of the file name. If your file contains more than one you will not be able to upload.

eg: filename.pdf.pdf or filename.jpeg.pdf

Any files already uploaded into the system are not impacted.

Duplicate invites

When inviting a user to a school, only one invite can be sent per user per role.

Need help?

For support with RSS Online, email help@resourcesmartschools.vic.gov.au

For program support RSS Facilitators can help you to:

- plan or promote your program
- find resources to help complete modules
- conduct audits with students
- organise activities for student action teams
- connect with other schools and staff
- progress module completion and certification.

To connect with your local facilitator, email schools@sustainability.vic.gov.au

ResourceSmart Schools is a free program. It supports Victorian schools to embed sustainability across facilities, curriculum and community, while saving resources and money.

To register, visit: <https://my.resourcesmartschools.vic.gov.au/>

or email schools@sustainability.vic.gov.au
